Purpose of the meeting was a quarterly meeting with ambulance service officers to discuss operations.

Jody Bauer noted that Dr. Ho is a great asset to the service and things are going pretty well. They have a had a training with him and will be scheduling an EMT refresher. Jody felt the service was moving in the right direction.

They are struggling with low membership numbers. They have around 16 members now, but they would like to be at a minimum of 20. The service is trying to think of an incentive to recruit new members.

Jody noted 2024 will be the service's 50<sup>th</sup> anniversary. They are working on a calendar with local sponsorship and may try to include an application with the calendars.
